Please Note:

If a pool barrier and/or signage is non compliant a re-inspection will be completed by Solutions in Engineering within 90 days of the order being placed with us. The inspection is reliant on the recipient of the defects report (form 26) informing Solutions in Engineering that any non-compliant pool issues have been addressed. Reinspections are charged at \$148 per inspection.

Our inspector can advise which day they will be at the property and whether it will be am or pm. If a date and time specific appointment is required, it will attract an extra fee of \$98.

This pricelist is for a typical pool enclosure of up to 150m² within SEQ metropolitan areas. Larger swimming pools or pools outside of this area will require a quote. Please contact our office to arrange this.
